## DALLAS STREET FAIR AND CARNIVAL

ARNOLD'S BIG ORIENTAL SHOWS

JUNE 3, 4, 5 and 6.

The accompanying illustration will give our readers an excellent idea of Arnold's big tented show, as they will appear on the east side of Courthouse Square in Dallas at the Woodmen's Street Fair on June 3, 4, 5 and 6. In the upper left-hand corner of the picture is a faithful likeness of the proprietor himself. Mr. Arnold has a big show and a long list of attractions this year, and, as his bills announce,

"there will be something doing every minute" of the four days he is to exhibit in Dallas. You will see more to interest, amuse and entertain than ever before presented. Some of the more prominent features of this great tented exhibition are:

Great Animal Collection  
In the menagerie will be found one of the most valuable collections ever exhibited in the Northwest.

THE OLD RELIABLE

**ROYAL**  
**BAKING**  
**POWDER**  
Absolutely Pure  
**THERE IS NO SUBSTITUTE**

Tigers, lions, elephants, camels, and many other zoological acquisitions. A valuable lesson for the children, and a great opportunity for amateur photographers. Bud and Rosy, the only two trained coyotes in the world, will appear at every performance and climb an 80-foot ladder and dive, head-first, into a net stretched 75 feet below.

### The Hindoo Theatre

With Hassan's Troupe of Magicians, Gun Spinners, Sword Fighters, Whirling Dervishes, Dancing Girls. The quaint, weird music should not be missed.

### Edison Electric Show

The embodiment of all its name implies. All of the latest life-like, life-size moving pictures will be projected, where can be seen people walk, birds fly, trains move at full speed, boats plying through the water, etc. The whole world at your feet.

### Famous Ferris Wheel

Has been secured. Don't fail to take a ride in Mid-Air. By so doing one can enjoy the thrilling sensations of a Balloon Ascension, with the added pleasure of entire safety. By all means take a ride in the big Sixty-foot Wheel.

### The Great Ver Vain

The boy with many voices, and his family of wooden actors, introducing Happy Hooligan, etc., can be seen only with the LORETTA TWINS VAUDEVILLE CO., with the Arnold Shows.

### Old Plantation Theatre

Presents an Ethiopian Entertainment, replete with comedy, pathos and music. It is redolent of the Sunny Southland. Buck and wing dancing, jubilee singing, banjo playing, character sketches and a genuine Southern Cake Walk.

### Japanese Theatre

The quaint and exceedingly odd performance in the Japanese theatre is a rare treat, and no one should miss this opportunity of witnessing it. Tetsuwar's Japanese Actors and Acrobats are acknowledged to be the most finished of all artists in their line. This Company is the best in Japan. It was engaged with the Mikado's consent, and, together with all the scenery, effects, costumes, accessories, etc., was brought to America especially for this tour, by Mr. E. J. Arnold.

### A Scene From Fairyland

Grand Entree and Coronation of the QUEEN OF THE CARNIVAL, attended by her Royal Court of Ministers, Courtiers, Maids of Honor, Jesters, Herald, Pages, etc., presenting a spectacle of mediæval splendor.

Heading the list of paid attractions will be found the Loretta Twins Vaudeville Company of Juvenile Stars, displaying science, skill and daring gyrations through the air, and executing marvelous feats of prowess and agility.

The mammoth steam Merry-go-round will furnish amusement for all.

Grand balloon ascension and parachute jump.

The Traviolas, in their heavy and light weight juggling and hoop rolling.

The marvelous DeGarros, Kings

of the Roman Kings, and wonderful feats of equivoise on the slender silver thread.

The flying Victorellas, with their thrilling performance in mid-air.

The famous Dore Family, presenting their latest creation, "Adventures with Satan," introducing this wonderful troupe of grotesque acrobats and pantomimists in the funniest comedy acts extant.

Mr. Arnold has a truly marvelous exhibition, and you cannot afford to miss it. Remember the dates, June 3, 4, 5 and 6, and come to town and enjoy a few days of recreation before the harvest work begins.

### MADE SPLENDID SHOWING

Dallas College Athletics Defeated by Newberg Team by Only Four Points.

The Dallas College boys made an excellent record at the field and track meet held at Newberg, last Saturday, being defeated by Pacific College by only four points. The Stillwater (Okla.) Advance refers to the alleged danger of kissing, and denounces it as an unmitigated slander on the women.

"There can be no more danger in kissing a beautiful woman," says the paper, "than in kissing the sunlight or a new-blown rose, and for the purpose of demonstrating our position we stand ready to kiss any white woman (who does not

wear store teeth) from Cape Cod to Kalamazoo. We are not afraid of this diabolical kissing microbe; and the man who would recommend the abolition of the health-giving kiss is fit only for treason, stratagem and spoils, and is clearly unconstitutional and should be abolished himself.

### PORTLAND BOY WINS

Rotch Traveling Contest Awarded to Edward T. Foulkes.

Edward T. Foulkes, of New York, a graduate of the Massachusetts Institute of Technology, class of 1898, has been awarded the Rotch traveling scholarship, as the result of the competitions entered in Boston. The scholarship grants \$1000 annually for two years, to be expended in foreign travel and study.

The successful competitor was born in Monmouth, Oregon, in 1875, and is a nephew of Morris Jones, of this city. A short time ago he won the gold medal in the Beaux Art competition, in New York.

The Evening Telegram says: "Mr. Foulkes may be considered a Portland boy, as he lived in this city about 12 years and graduated at the Portland high school. Five years ago he went East and he has been engaged in the study and application of architecture since then. The scholarship which has been awarded him by the Rotch Institute will enable him to send drawings and sketches of the great buildings of Europe to the institute during the next two years. These drawings are to remain the property of the Rotch Institute, which, in that way, will have valuable data at hand to compensate itself for the outlay on Mr. Foulkes' behalf. The fortunate young man will visit Portland for a few weeks this Summer, as he desires to see his parents and brother, David Foulkes, before starting on his two years' tour."
